

WHAT IS BETHEL SOZO

A unique inner healing and deliverance ministry aimed to get to the root of things hindering your personal connection with the Father, Son and Holy Spirit. With a healed connection, you can walk in the destiny to which you have been called. **WHAT IS BETHEL SOZO?** Christ purchased our complete salvation through His death and resurrection so that we can be healed body, soul and spirit. Our salvation experience is just the beginning of a life long journey with the Father, Son and Holy Spirit. God desires to heal, strengthen, lead and sanctify us while we walk with Him through life. It can be said that Sozo Ministry is one of the tools God uses to accomplish this. In the Bible, the word SOZO is found throughout the New Testament. It is translated as either 'saved', 'healed' or 'delivered.'

WHAT HAPPENS WHEN I COME FOR A SOZO?

PERSONAL SOZO

A Sozo session is a time for the Sozo team to sit down with you and with the help of the Holy Spirit walk you through the process of freedom and wholeness. Sozo is not a counselling session but a time of interacting with Father, Son and Holy Spirit for wholeness and pursuing of your destiny.

A session is led by a main facilitator and one or two other leaders who will be praying for you as the Holy Spirit leads you. You may come with something particular that you would like to address or you may leave it up to the Holy Spirit.

It may last up to 2 hours.

CHILDREN SOZO

Sozo for children gives them the opportunity, space and time to connect and encounter Father God, Jesus and Holy Spirit in an incredible way. It has been adapted so that every child will be able to connect to The Godhead with a facilitator, who will relate to them appropriate to their age and stage.

Children's Sozo is for any child or teenager who wants to get connected in a deeper way with Father God, Jesus and Holy Spirit by removing fears, anxieties or blockages that are stopping the child from living in the fullness that Jesus has for them.

Duration of session depends on age of child.

One of the parents must have had a personal Sozo in the last 12 months.
